

Stabilitätspakt für Südosteuropa  
Gefördert durch Deutschland  
Stability Pact for South Eastern Europe  
Sponsored by Germany

UNIVERSITÄT LEIPZIG

Fakultät für Chemie und Mineralogie

## MatCatNet Scientific Module “Catalysts” and Workshop “From Molecules to Functionalised Materials (2013)”

- Modern synthetic and spectroscopic methods in homogeneous and heterogeneous catalysis
- Modern theoretical methods
- Materials science

**When:** 14/10/2013 – 19/10/2013

**Where:** Babes-Bolyai University, Cluj-Napoca  
Romania

**Conditions:** Participation preferentially with short presentation or poster on previous, present or planned scientific work

**Application:** Motivation, Curriculum Vitae, Certificates

**Deadline:** **20 September 2013**

In the framework of the DAAD programme “Academic Reconstruction of South Eastern Europe” - “**International Masters and Postgraduate Programme in Materials Science and Catalysis**” (**MatCatNet**) funding will be granted for this event for 4th year BSc, Master or PhD students (with the possibility of gaining Credit Points – graded).

Please send your application to the local coordinator at your institution.

For further information and application please visit:
