

Stabilitätspakt für Südosteuropa
Gefördert durch Deutschland
Stability Pact for South Eastern Europe
Sponsored by Germany

UNIVERSITÄT LEIPZIG

Fakultät für Chemie und Mineralogie

MatCatNet Scientific Module “Biomaterials” and Workshop “From Molecules to Functionalised Materials (2015)”

- Modern synthetic and spectroscopic methods in homogeneous and heterogeneous catalysis
- Modern theoretical methods
- Materials science

When: 17/09/2015 – 21/09/2015

Where: Ohrid
Macedonia

Conditions: Participation preferentially with a short presentation or poster on previous, present or planned scientific work

Application: Motivation, Curriculum Vitae, Certificates

Deadline: **31 May 2015**

In the framework of the DAAD program “Academic Reconstruction of South Eastern Europe” - “**International Masters and Postgraduate Programme in Materials Science and Catalysis**” (**MatCatNet**) funding will be granted for this event for 4th year BSc, Master or PhD students (with the possibility of gaining Credit Points – graded).

Please send your application to Prof. Dr. Evamarie Hey-Hawkins, hey@uni-leipzig.de or Dr. Alexandra Hildebrand, ahildebrand@uni-leipzig.de.
