TITLE

## 1. SUMMARY (300 WORDS):

(Introduction to the topic, your interest, research question, methodology, expected results)

## 2. STATE OF RESEARCH AND RESEARCH QUESTION (1000 WORDS)

(Your question should be based on a research gap. Why is your question worthwhile to engage in further study?)

## 3. PRIMARY SOURCES (300 WORDS)

(Which primary sources do you use to gather evidence? How do you chose these sources? If you have too many primary sources how to you limit them?)

## 4. METHODOLOGY (300 WORDS)

(What methods do you use to gather and analyze your evidence)

## 5. EXPECTED RESULTS/HYPOTHESES (150 WORDS)

(What kinds of results to you hope to find in relation to the research gap.)

## 6. WORK PLAN

(Concrete work plan, week by week)

## 7. REFERENCES

(References need to be listed in proper format, see Chicago Manual of Style Quick Guide)
