

Dieser Studiengang ist von der Royal Institution of Chartered Surveyors (RICS) akkreditiert. Die RICS ist der wichtigste international tätige Berufsverband der Immobilienbranche. Gegründet 1868, zählt RICS heute mehr als 140 000 Mitglieder in über 120 Ländern und vertritt Spezialisten aus der ganzen Welt in den Bereichen Immobilien, Grundbesitz und Bauwesen. Basierend auf einem strengen Verhaltenskodex regelt und fördert RICS den Berufsstand. Zudem gilt sie als führende Wissensquelle in sämtlichen Immobilienfragen und erbringt unabhängige, unparteiische Beratungsleistungen für ihre Mitglieder, Regierungen und internationale Organisationen.

RICS kooperiert ausschließlich mit Hochschulen, die für akademische Exzellenz bekannt sind. Die RICS-Akkreditierung öffnet Ihnen den Zugang zu einer Mitgliedschaft, die Ihnen zahlreiche Vorteile bietet. RICS-Mitglieder

- werden von Arbeitgebern weltweit bevorzugt
- verfügen über eine weltweit anerkannte berufliche Qualifikation (MRICS und FRICS)
- gehören einer beruflichen Elite an
- haben optimierte Karriere- und Verdienstmöglichkeiten
- sind Teil eines internationalen Netzwerkes von Immobilienfachleuten;
- unterliegen strikten Verhaltensregeln – eine Garantie für (potenzielle) Kunden
- genießen Glaubwürdigkeit und Einfluss bei Entscheidungsträgern auf nationaler und internationaler Ebene
- profitieren vom Grundsatz des Lifelong Learnings
- erhalten Anleitung, Informationen und Unterstützung vom jeweiligen Nationalverband

Akkreditierte Studiengänge gibt es in Kontinentaleuropa in über zehn Ländern. Wenn SIE an einem solchen Studiengang teilnehmen, könnte dies der erste Schritt zu einer internationalen Karriere in der Immobilienbranche sein! Mehr Informationen zum Zugangsweg „Graduate Route“ finden Sie unter www.joinricsineurope.eu.
