

Workshop „ Nanowire Growth, Simulation and Analysis“
24th September 2007 to 25th September 2007
Naumburg, Germany

Agenda

Monday, 24th September 2007

19:00 Wine tasting in the „Naumburger Wein & Sekt Manufaktur“
Dinner

Tuesday, 25th September 2007

9:00 Prof. Dr. Johannis Boneberg
Universität Konstanz
Unconventional nanolithography

9:45 Dr. Jesús Zúñiga Pérez
CNRS Valbonne
Growth of nanowires

10:30 Coffee break

11:00 Dr. Frank Glas
CNRS Marcoussis
Modeling nanowire growth: nucleation, phase transitions, critical dimensions

11:45 Prof. Dr. Vladimir Dubrovskii
Ioffe-Institute, St. Petersburg
Theoretical aspects of nanowire formation

12:30 Lunch

13:30 Sightseeing of the „Naumburger Dom“
Art and history of Naumburg Cathedral St. Peter and St. Paul

15:30 Coffee break

16:00 Dr. A. Travlos
NCSR Demokritos, Athens
TEM analysis of nanowires

16:45 Dr. Ralf Vogelgesang
MPI für Festkörperforschung Stuttgart
Characterization of nanostructures by aperture-less SNOM
