

Postdoc position in Geophysics/Seismology

The **Institute of Geophysics and Geology/Faculty of Physics and Earth Sciences** offers the position of a **Research Associate (postdoc level)** for a period of three years initially. Salary is according to the German scale TV-L 13.

The successful applicant will work within the Seismology/Theoretical Geophysics group. We require an active participation in our research programs that are mainly concentrated on seismological data analysis, interpretation, and methodological developments.

The development of a personal research profile and the acquisition of own funding is expected.

Participation in geophysics teaching and supervising students on the MSc level is mandatory.

Requirements:

Doctoral degree in geophysics or a related field

Experience on seismology

Good publication record

Advanced computer and programming abilities

Fluent in German language

Your application should contain CV, list of publications, statement of research interests, and names of two potential referees.

For further information please contact: Prof. Dr. Michael Korn, Institut für Geophysik und Geologie, Talstr. 35, 04103 Leipzig, Tel: 0341-9732803, Email: mikorn@uni-leipzig.de

Applications should be sent to

Universität Leipzig
Dekan der Fakultät für Physik und Geowissenschaften
Herrn Professor Dr. Jürgen Haase
Linnéstraße 5, 04103 Leipzig.

Review of applications will begin on October 3 and continue until the position is filled. University Leipzig is an equal opportunity employer.
