At the Faculty of Veterinary Medicine the following professorship has to be filled, starting on 1 April 2020 to,

**W3 Professorship Biochemistry (Veterinary Medicine)**

The job holder will represent the subject of biochemistry for veterinarians in teaching and research. Participation in teaching chemistry in veterinary medicine is desired and will be organized in accordance with the faculty of chemistry and mineralogy of the University of Leipzig. The participation of the professorship in the main research areas of the faculty and the research profile "civilization diseases" of the University of Leipzig is expected. We are looking for an outstanding personality with a competitive record in biomedical research and a focus in subjects relevant for veterinary medicine. High standing publication and grant acquisition records are to be submitted with the application. The successful candidate preferentially will be a licensed veterinarian.

Rights and obligations of the jobholder are within the Saxonian university law (Sächsisches Hochschulfreiheitsgesetz, SächsHSFG) and the Saxonian public service task regulation (Sächsische Dienstaufgabenverordnung, DAVOHs). Applicants must meet the requirements of § 58 SächsHSFG, if necessary, provide proof of veterinary approval and recognition as specialist veterinarian (for applications from within Germany).

The University of Leipzig emphasizes the equality of women and men. Handicapped applicants are encouraged to apply and given preference if equally qualified.

Applications with the usual documents, enclosing detailed CV, a list of the scientific work and academic teaching including available records of teaching evaluations and a certified copy of the certificate of the highest acquired academic degree should be sent, preferably also in a digital format as one PDF-document, before 23 August 2019 to:
