University partnership Leipzig – Halle – Jena

You are enrolled at one of the three partner universities and you would like to additionally attend courses at one of the partner institutions? Please note the following:

### Courses

Select courses from the course catalogues:

- Halle
- Jena
- Leipzig

### Crediting of courses

Please clarify beforehand with your faculty, and in particular with the appropriate examination office of your home university, whether the courses and credits for which you would like to enrol and sit an examination can be credited for the course and examination regulations that apply to you.

### Access to the partner universities

- A shared student pass, which grants admission to the partner university, is issued to the university which is granting admission, that is to the partner university
- The intended activities are entered into the student pass in the Studentensekretariat (in Leipzig: Continuing Education) of the selected partner university for each relevant semester on presentation of the valid student pass
- The student pass is issued for one semester and can then be renewed / extended.
